

## **IMPARTIALITY AND CONFIDENTIALITY**

Impartiality and confidentiality are fundamental values of REINSPET S.A.

Our commitment is to maintain impartiality and Confidentiality in the execution of inspection activities, as is declared by being a type A inspection body, not getting involved in conflicts of interest with clients, not accepting any pressure whether commercial, financial or of any other nature in order to ensure total objectivity in the execution of inspection activities and client satisfaction through a personalized but equal treatment that complies with the rules of accreditation bodies and/or regulatory bodies.

If our personnel is involved in a potential risk to impartiality, it is mandatory to notify the General Management or the Hydrocarbons Management, through email, so that the necessary actions can be taken to minimize and control it.
